PRAYING AROUND THE CLOCK, AROUND THE GLOBE

In the 18th century, a small community of Moravians began a 24-7 prayer meeting that lasted for over 100 years and mobilised 3000 missionaries. In our own century, since 1999, a 24-7 prayer movement has spread to thousands of prayer rooms in 116 nations. Participants span all ages, praying every hour of every day using space in schools, police stations, prisons, shops, festivals, naval academies, caravans, homes and churches of all denominations. Some prayer rooms have developed into communities of people living together in a community house, local area or neighbourhood, or spread out across a large city. Altogether, more than 200 million believers are praying daily for world evangelisation! [<http://www.24-7prayer.com>]

God's Garden (Author unknown)

Plant three rows of peas:
Peace of mind
Peace of heart
Peace of soul

Plant four rows of squash:
Squash gossip
Squash indifference
Squash grumbling
Squash selfishness

Plant four rows of lettuce:
Let us be faithful
Let us be kind
Let us be obedient
Let us really love one another

You will have no garden without turnips:
Turn up for meetings
Turn up for service
Turn up to help one another

Water freely with patience and cultivate with love.
There is much fruit in your garden
Because you reap what you sow.

To conclude our garden, we must have thyme:
Time for God - time for study - time for prayer!
