You will note that we are hosting the Saturday (21st Jan) prayer time, followed by a simple lunch and fellowship. Christine has agreed to 'organise' the simple lunch - i.e. bread, cheese and fruit, with tea, coffee or squash to drink. We need about 3 volunteers to help on the Saturday. Whoever can help would need to be at the WLCC to set up by 11.30am, as the prayer time starts at 12 noon. Please could anyone who is available speak to Christine.

**TOOLS GETTING THE WORD OUT**

Galcom International, a company formed to give missionaries effective evangelism tools, named its solar powered fix-tuned radios the "Go-Ye" radio. The first 40,000 radios were fix-tuned to Voice of Hope broadcasting from Lebanon. Over 20 years later more than 800,000 radios have been distributed in 126 countries, allowing millions of people to hear God's word daily. One Christian pilot in Colombia has distributed more than 80,000 Go-Ye radios, many individually fastened to little parachutes and dropped into remote places. Another small hand-held device by Galcom, Megavoice, provides solar powered, digital audio Bibles and players in thousands of languages and dialects. Playback times range from a few minutes to 320 hours. [[www.galcom.org](http://www.galcom.org)]
